

Policy for Use of the Lactation Suite (Mamava)

The Trenton Free Public Library is pleased to offer the use of a lactation suite on the second floor of the library. It is available for those who are looking for privacy to breastfeed* or pump on a first come, first use basis. The suite is handicap accessible with grab bars; it can also accommodate most strollers. There are two benches to accommodate a parent with other children for a maximum of four individuals plus an infant.

Patrons must clean up after themselves following the use of the Lactation Suite. Usage should not exceed more than 60 minutes at a time.

*Please note: women are welcome to breastfeed anywhere in the Library; the Suite is an additional option
